Sia P. P. Huouran's father (Sunil Grever) and the film's producer go to every possible government to seek help on the subject, but no one is willing to help them, since Raghav is a powerful man. Huaan knows that to save Sia from Raghav, Ronnie (Tiger Schrouf) can now only man. The film then goes into flashback, which shows Ronnie and Sia travelling on the train. Raghav also travels by the same train. Raghav eyes Sia & amp; and ask her people to get her details. Meanwhile, Ronnie misses his train due to misunderstandings Sia, resulting in her guilty plea. Ronnie attends Guruswamy School (Grandmaster Shifuji Shauria Bharadwaj) in Kerala state. According to a letter provided by his father, Ronnie's father considers him Bachie (someone who never obeys anyone's order). So asking Guruswamy to make him a good man. Ronnie meets Sia there. Sometimes later they fall in love. Sia gives him a precious ring (given by her father) and asks him to always keep it with him. Meanwhile, Raghav asks for Sia's hand at Huaan, who is willing to marry her daughter raghav under a certain amount of money. Later, Khurana sees the Sia ring in Ronnie's hand, and tells Raghav about it. Who believes to even kill Ronnie if he hasn't broken off his relationship with Sia. Guruswami hears this, and refuses to let Raghav do so at any cost until he is alive. Raghav later kills Guruswamy. Huaan, along with Raghav, arrests Ronnie at the police and deliberately lures him so that Sia doesn't believe Ronnie, who tells her the real drama planned by her father. Khurana even injures herself and shows Sia, the duplicate ring she gave to Ronnie. That she hated him. Returning nowadays, Ronnie reaches Bangkok. With the help of Harry (Sanjay Mishra), he visits a local fight club, and defeats the famous Lorde fighter to attract some attention. The next day, some local are gonna pursue him, and in an action packed battle sequence, he defeats them to get the address of Zhu (Raghav's special husband). He opens up at Wji's house and sets his wife up in the Point-blank range, asking him about Sia's whereabouts. Ronnie then visits the hospital where Sia takes Raghav, and in disguise the doctor manages to get into the ward. Sia is waving to a nurse, and in her disguise they are both trying to escape from the hospital. Raghav catches them. But somehow they are successful in escaping from the hospital. On her way back to India, Sia sees her ring still in Ronnie's hand. Ronnie then rolls out the real drama planned by her father & Raghav. They fall in love again. However, Raghav caught them both again, and Viju fires on Ronnie, which falls into the lake. However, it is sometimes later apparent that Ronnie is alive and returning, as no bullet has been fired by Viju (as Viju thought Ronnie was correct in his place). Raghav kills Vitya. Ronnie successfully reach Raghav. However, Raghav overdoses it. But when Ronnie hears that it was only Raghav who killed Guruswamy, he uses Guruswami's tactics, and in a jaw-dropping sequence, he kills Raghav. Later, Ronnie and Sia attend The Guruswamy School, where the Guruswami statue now stands instead of its place.
